GRAVEL HAULING TO STOCKPILES

LANCASTER COUNTY

NEBRASKA

**SPECIFICATIONS FOR HAULING GRAVEL SURFACE COARSE MATERIAL TO
LANCASTER COUNTY STOCKPILES PROJECT NOS. 04-03H thru 04-12H**

INSURANCE: All bidders shall take special note of the attached insurance sheet titled "Insurance Clause to be used for all County contracts".

REFERENCES: Any hauler who has not performed any hauling contracts under the current company name for Lancaster County in the past three (3) years must supply, with the bid documents, not less than three (3) references of satisfactory hauling work done for others within the last twelve (12) months, in order for the bid to be considered.

PIT LOCATIONS: Bidder shall bid from the most favorable pit location for the project.

QUANTITIES: The County further reserves the right to award quantities \pm 20% from bid quantities for financial purposes.

WEIGH/DELIVERY TICKETS: It shall be the responsibility of each hauler to provide authorized County personnel, at the haul delivery site, weigh tickets from the material suppliers. **Weigh tickets shall be produced from a scale registered with the Department of Agriculture and certified for commercial use.** Each ticket will be verified by County personnel, with the material supplier, within twenty-four (24) hours. If the delivery ticket is not a copy of the original, the corrected copy should be made available to County personnel within 48 hours. Delivery tickets need to be kept in consecutive order - allowances will be made for other customer loads loaded between county loads. Only "authorized" personnel are allowed to weigh and make out delivery tickets.

LEGAL LOAD LIMITS: It shall be the responsibility of each hauler to provide Lancaster County with a list of legal load limits on all trucks to be used in fulfilling the hauling contract. Any ticket which shows a GVW in excess of the vehicle's legal limit, will be cause for rejection and will not be accepted.

BID BOND: None required.

PERFORMANCE BOND: **Three days following the County Board's award of bid,** the successful bidder will be required to submit a **five percent (5%)** performance bond, in the form of a certified check, cashier's check or bond, which will be retained by the County until all deliveries have been completed and shall serve as a guarantee of performance that the work is completed in the time frame specified as defined by "Work Days" in the general specifications. **All performance bonds, no matter what form they are delivered in, are to be submitted to City/County Purchasing Department.**

TRUCKS NOT ALLOWED: No belly-dump trucks will be allowed on any stockpile contracts, but are acceptable for spreading on the road.

HAULING OF MATERIAL: Because County equipment and personnel are tied up when material is being hauled, the Hauler will make every effort to haul his material on a consistent basis. Sporadic or intermittent hauling may be cause to deny a hauling company future bidding privileges with the County. May also cause forfeiture of present bond.

WORK DAYS: You have two deadlines, you are given a time frame in which to schedule the work and a given number of days in which the work must be completed. Your work days will begin counting on the first day you begin your hauling contract and will be consecutive with the exception of bad weather days or outside influences that are out of your control.

CERTIFICATE OF INDEPENDENT PRICE DETERMINATION: By signing and submitting this bid, the bidder certifies that the prices in this bid have been arrived at independently, without consultation, communication or agreement, for the purpose of restricting competition, as to any matter relating to such prices with any other bidder or with any competitor; unless otherwise required by law, the prices which have been quoted in this bid have not been knowingly disclosed by the bidder prior to bid opening directly or indirectly to any other bidder or to any competitor; no attempt has been made, or will be made, by the bidder to induce any person or firm to submit, or not to submit, a bid for the purpose of restricting competition.

PURCHASE ORDER ISSUING: Purchase orders and payment vouchers will be issued under the same firm name as the name appearing on the proposal documents.

HAULER/PRODUCER: In the case where the producer is also the hauler, there will be a separate invoice issued for payment of the production and a separate invoice issued for payment of the haul.

In case of a discrepancy between the unit prices and their extensions, the unit prices shall govern.

An escalator clause or any qualification of price conditions which makes it possible to bill at a price higher than the price quoted will disqualify the bid, unless such maximum billing price or percentage of increase is definitely shown in the proposal, in which case such higher price will be used for comparison of bids.

Should an error be discovered in the estimated quantities during the advertisement period, every effort will be made to issue an addendum correcting the discrepancy. However, if in the opinion of the County Engineer, an addendum cannot be issued prior to the filing of the proposals, the County reserves the right to evaluate the proposals based on the known quantities at the time the proposals are opened.

The bid will be awarded to the lowest responsive, responsible bidder whose proposal will be most advantageous to the County.

The County reserves the right to accept or reject any or all bids, or parts of bids; to request rebids and to waive irregularities and technicalities in bids, such as shall best serve the requirements and interests of the County.

SECTION 12 - CONTRACT AND BOND

Within fourteen (14) calendar days after the acceptance of the bid, the successful bidder must execute a written Contract between the bidder and the County; such contract will incorporate the County's contract documents and be on forms provided by the County. Failure to enter into such a contract with the County within such time period will cause a forfeiture of the bidder's bid security to the County as fully liquidated damages. Also within such time period, the successful bidder must furnish, on forms provided by the County, a performance and labor and material payment bond, in the sum of one hundred percent (100%) of the contract price, executed by the bidder and by a corporate surety company authorized to transact

business in the State of Nebraska. Such bond shall be conditioned upon the faithful performance of all the terms and conditions of the contract documents, including the holding harmless of the County from failure to do so, and including the making good of any and all guarantees which the contract documents may require; and, such bond shall be further conditioned upon the payment of all laborers and materialmen who provide labor, materials, etc. actually used or rented in the performance of the contract, including insurance premiums and interest.

SECTION 13 - INSURANCE

All bidders shall take special note of the Contractor's Comprehensive General Liability and Workmen's Compensation and Employer Liability insurance requirements of the contract documents. The contractor will also be required to provide Builder's Risk Insurance if the project involves the construction of a building or alterations to existing buildings.

The successful bidder must provide proof of insurance in accordance with the contract documents within fourteen (14) calendar days after acceptance of the bid.

SECTION 14 - INDEMNIFICATION

The bidder shall indemnify and hold harmless the County, its members, its officers and employees from and against all claims, damages, losses and expenses, including, but not limited to attorney's fees arising out of or resulting from the performance of the contract, provided that any such claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property other than goods, materials and equipment furnished under this contract, including the loss of use resulting therefrom; is caused in whole or part by any negligent act or omission of the bidder, any subcontractor, or anyone directly or indirectly employed by any one of them or anyone for whose acts made by any of them may be liable, regardless of whether or not it is caused by a party indemnified hereunder.
